## Special Imaging Notes

**Oversized Pages:** \$1 per additional inch will be added to standard page size.

**Blank Pages:** Please indicate if blank pages are NOT to be printed; otherwise, you will be charged for them.

**PostScript Files:** If this is your first time sending us a PostScript file, please call first so the appropriate printer drivers, etc. can be chosen.

**To Ensure Best Results:** Enclose a laser proof, and include all necessary font and graphic files on your disk. Fill out the **Job Request** sheet carefully, as the finished job will reflect your specifications.

## Fonts

You must identify all fonts used in your job. Additional charges may be incurred if you do not list them on **Job Request** sheet.

## Electronic File Transfer

A minimum charge will be incurred for creating a pdf (electronic) proof and emailing it. We do not charge for receiving electronic files.

## Color Prints

11 x 17 Hi-Res Tektronix prints are \$30 per Page.

8 1/2 x 11 Inkjet prints are \$10 per Page.

## File Modification

\$70 per hour, \$18 minimum

## Scanning

Photos and line art, black/white and color, up to 4000 dpi. Supports most graphic formats, such as TIFF, PICT, and EPS. Pricing is based upon hourly rate of \$70/hour. Minimum charge for black/white line art scans is \$15. Halftone or color scan minimum is \$18.50. Transparency scans are \$30.

## Disk to Disk Conversion

IBM-Mac or Mac-IBM conversions. Pricing based upon hourly rate of \$70/hour. Minimum charge is \$18.

## PC Output

Additional charges may apply; please inquire.

## Consulting and Technical Support

Hardware, application and system software. Pricing is based upon hourly rate. At our location, \$85/hour. At your facility, \$100/hour.

## Other Services

Typesetting, layout and creative design, etc. are also offered as well as web site design, presentation graphics, trade show booth design and copy generation. Please inquire about pricing. Our rate for design is \$80/hour.

## Turnaround

Normal turnaround on most imaging jobs is one working day. Larger jobs and graphic intensive imaging may require longer.

Rush charges will be applied if you need your job faster than normal. These charges will vary depending upon the requirements of job. Please inquire about such charges when you bring in your job.
